PIEZONI'S CARES

PieZoni's takes pride in offering fresh and healthy pizzas, salads, and subs. We've made strides in sourcing quality foods so we can serve you the tastiest meals made from clean ingredients. We are committed to continue improving this practice so you can feel good about the PieZoni's food you eat.

All of our grilled chicken is comprised of fresh, never frozen, all white meat that's **ANTIBIOTIC-FREE.**

All of our hamburgers and cheeseburgers are prepared with **100% FRESH ALL-NATURAL GROUND BEEF THAT IS NEVER FROZEN.**

The deli style meats used in our subs, wraps, and pockets are all natural with **NO CHEMICALS, FILLERS, OR PRESERVATIVES.**

All PieZoni's locations receive shipments of fresh veggies daily that we slice and dice each morning to ensure the **FRESHEST PRODUCE** is available for our salads and toppings.

Our traditional crust is **MADE FRESH DAILY IN EACH LOCATION.** We start with unbleached/unbromated flour and add just four simple ingredients to create our dough.

PieZoni's rice bowls start with a delicious blend of **ORGANIC BROWN RICE AND QUINOA** and are topped with your choice of fresh vegetables and proteins.

Our gluten free crust is **CERTIFIED GLUTEN FREE** and is baked on a separate tin and cut with a separate knife. Available in an 11 inch size.

Our pizza and marinara sauces are a savory blend of vine-ripened tomatoes from California that are **NEVER MADE FROM PASTE OR PUT IN CANS.**

We try our best to source our ingredients from the USA, but we do bring our pasta in from Italy because **THE QUALITY AND TASTE ARE BETTER.**

We use **FRESH CHEESE FROM WISCONSIN** because we know you can taste the difference. Not only is our cheese supplier universally regarded as the highest quality producer, but the local dairy farm plays music for the cows to keep them happy.
